## Assembly

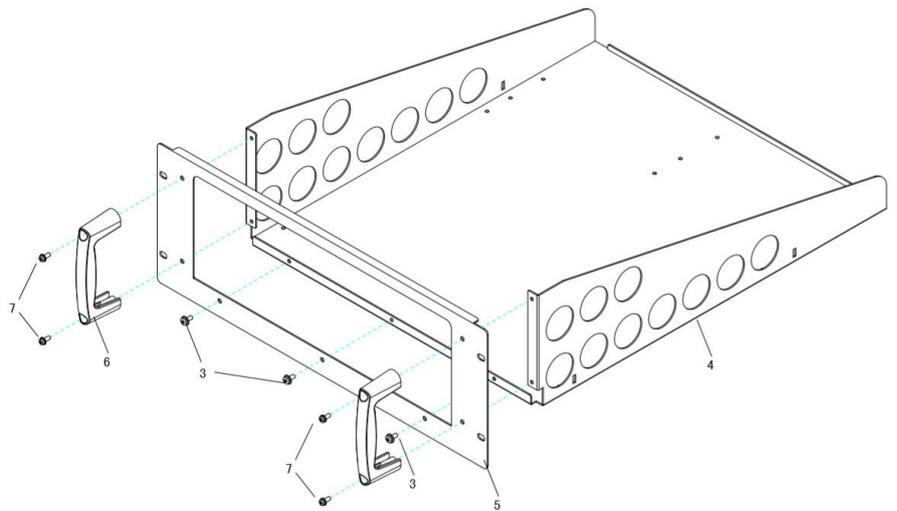

- Initial setup 1. Remove the 2 screws from rear side of the unit.

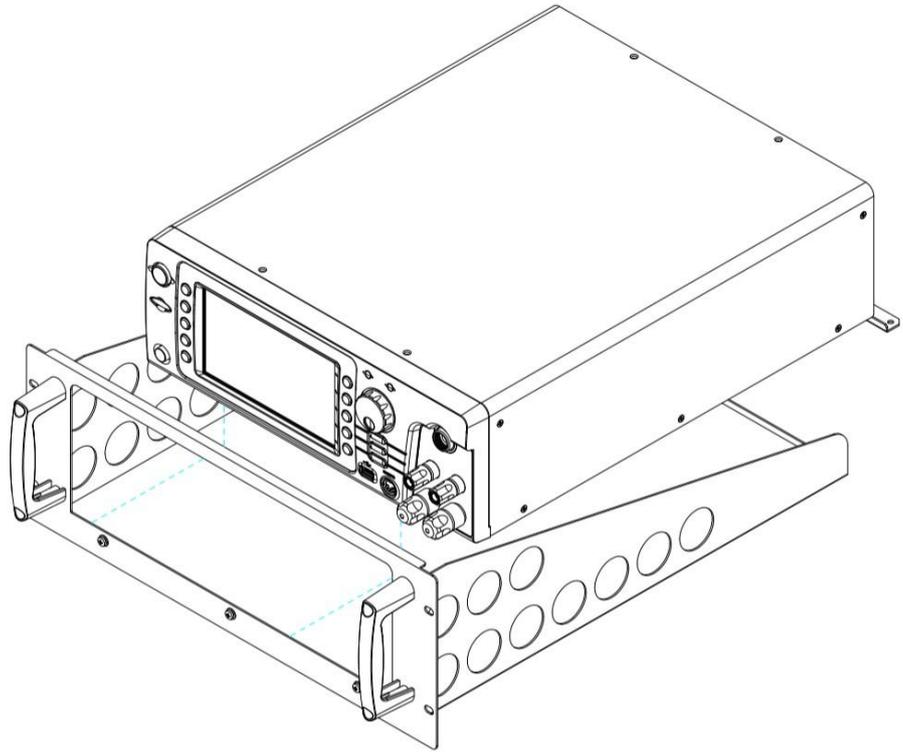

2. Attach the L-type bracket to the unit followed by fixing the 594B-W3008NS1 screws to the unit.

3. Attach the front plate and handles to the bottom plate with fastening the screws.

4. Attach the unit with the L-bracket and the 594B-W4010NS1 screws to the bottom plate. Make sure the front panel clicks into the front plate of the rack.

5. Fasten the 2 screws into the L-bracket and the bottom plate firmly to complete assembly.
